

Report of the statutory auditor on the limited statutory examination
to the Foundation board of
BOOKBRIDGE FOUNDATION, Basel

Olten, July 13, 2022

As statutory auditor, we have examined the financial statements (balance sheet, profit and loss account, statement of changes in equity and notes) of **BOOKBRIDGE FOUNDATION** for the financial year ended December 31, 2021.

These financial statements are the responsibility of the Foundation Board. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law.

We conducted our examination in accordance with the Swiss Standard on the Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of foundation personnel and analytical procedures as well as detailed tests of foundation documents as considered necessary in the circumstances. However, the testing of operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the financial statements do not comply with Swiss law, the foundation charter as well as applicable regulations.

NOTES

1 General notes to the foundation

1.1 Legal form and purpose

Purpose of the charitable foundation is to promote education, an international attitude, tolerance in all spheres of culture and international understanding, development cooperation and the social commitment for non-profit purposes. Its purpose is, in particular, to seek a global education equilibrium, regardless of religious, ethnic, economic and geographical conditions. The Foundation pursues the objectives of promoting access to education, improving the quality of education, the creation of jobs in the education sector in developing countries, the enhancement of the role of education in developed countries, and promote social and corporate citizenship in these countries through the participation of children and adolescents. The Foundation can realize their purpose itself or by auxiliary staff. In addition, it is envisaged that the foundation can its purposes also meet in that it provides funding to charities that are active in the countries with low education rate. The Foundation may raise funds for these charities and thereby achieve their purposes.

2 Information on the principles applied in the annual financial statements

These annual financial statements were prepared in line with the provisions of Swiss law, in particular the article on commercial accounting and bookkeeping in the Swiss Code of Obligations (Articles 957 to 962). Additional the recommendation of the federal foundation oversight board concerning accounting referring to Swiss GAAP FER 21 have been taken into consideration.

The accounting requires that the foundation board makes estimates and assumptions which can influence the amount of the disclosed assets and liabilities as well as contingent liabilities on the balance sheet date, and which can also influence income and expenses in the reporting period.

The annual financial statement is presenting a true and fair view of the assets, liabilities, financial position and profit and loss.

2.1 Assets - valuation and investment principles

Cash

Valuation at nominal value

Receivables

Valuation at nominal value less necessary accumulated impairment

Capital Assets

Valuation at acquisition costs less necessary accumulated depreciation and impairment

2.2 Liabilities - valuation and investment principles

Liabilities generally

8 Currency concept

The accounts are kept in the functional currency Euro. The conversion in CHF was carried out at the balance sheet (except for the equity) at year-end exchange rate and the profit and loss account (except for the contribution/allocation Social Business Fund) at the average rate. The conversion difference between balance sheet and profit and loss account of the respective year is shown in the statement of changes in equity.

The capital paid-in and Social Business Fund shown under Equity is converted at historical exchange rate in time of conversion. The contribution/allocation Social Business Fund is converted at exchange rate in time of conversion. Origin CHF-amounts under Equity are not converted in EUR and reversed in CHF.

The Conversion had been made with the following rates:

1) Balance sheet (EUR - CHF)	1.036150	1.081550
2) Profit and Loss Account (EUR - CHF)	1.081011	1.070454
